

Gregory O. Scott is a pen name for fan fiction writer HandofThrawn45. When Disney rebooted the Expanded Universe in 2014, it brought about the official end of the Star Wars Legends continuity. Yet while no new official Legends books have been released since the official end of the Legends line of books, not everyone has been willing to accept that it would seem. Since 2018, HandofThrawn45 has written a number of fan novels which are intended to close off the loose ends created in the wake of Disney's end of the Legends Continuity.

A Knight Returns...

The infamous Sith Lord Darth Caedus - once known as Jacen Solo - is dead. Those that have been left behind must pick up the pieces of their lives. Caedus' former apprentice, Tahiri Veila, tries to find a place for one who has been both Jedi and Sith but now finds that she is neither. His former lover, Tenel Ka, struggles with the monster Jacen had become while trying to stop the last scheme he set in motion before his death. Finally, Jedi Knight Zekk, lost and believed to be killed during the final battle against Caedus, finds himself imprisoned by a pirate captain unlike anyone he's ever met. He is now forced into a mission that could change the shape of the galaxy...
